### Hotel Room 4

Twin beds against an essential and practical wall panel framed with an elegant cornice in solid wood.  
2 armchairs Mod. Vera with a round coffee table to create a relaxing corner in the room.

camelgroup®

**Hotel Room 5**

The ideal solution for a hotel twin room. Specially designed bed covers and cushions make the room rich and warm.  
The writing desk can come with 3 drawers or with a fridge compartment.

Hotel Room 6

Bed "Dritto con fregio" gives value and artistic touch to the room with its central motif in wrought iron.

**The Hotel Suite**

Your "SUITE ROOM" will be the first choice for your hotel guests: the fireplace topped with a precious baroque mirror, the Chesterfield love seat and armchair in natural leather with an elegant coffee table Mod. Toscana and a Svarovski hanging chandelier.

**The Hotel Suite**

Details that will add value to the room: self-standing fridge inside an elegant and solid wood case, 2 armchairs upholstered with the same fabric as the curtains; a Svarovsky hanging chandelier.

Hotel Room 7

Double bed "Gendarme" in walnut finish with curved "ring" and wall boiseries behind the night tables.

**Hotel Room 8**

Bed "Curvo fregio" joins elegance and very strong structure. The "white ash" finish as an alternative to give light and glamour to the room. TV-server.

Hotel Room 9

Bed "Curvo fregio" with headboard and footboard.  
A practical luggage rack between the TV-server and a 2 door wardrobe.

Hotel Room 10

Bed "Dritto legno" with 2 door wardrobe and a framed wall panel with coat hanging racks.

Hotel Room 11

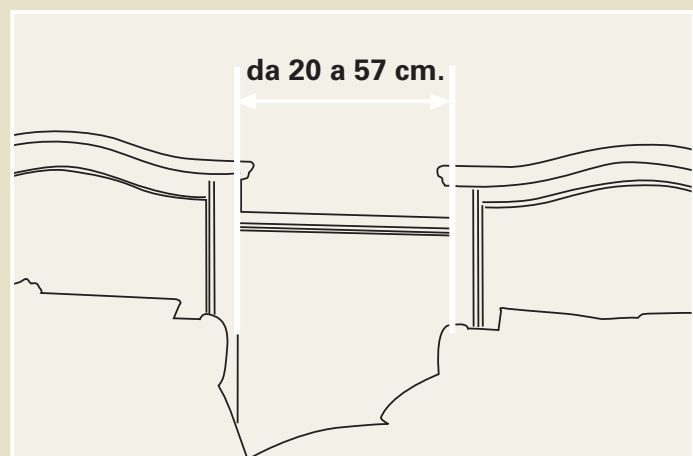

Single bed "Dritto legno" with 3-drawer night table and framed "boiserie" behind it.

Hotel Room 12

Twin beds "Gendarme" with framed "wall boiserie".  
A very practical 7-drawer chest.

Bar and Waiting Room

Ideal solution for a hotel hall: consolle Mod. Toscana with coffee and lamp tables.

## Planning

Our designers and technicians will study and develop your original drawings. The final result will be a proposal, both technical and three-dimensional, where every material and technical detail can be analysed, adjusted and submitted to your final confirmation.

## Layout

After receiving a plant of the rooms to be furnished, a final layout of the furniture (if requested) will be made and sent for your approval. We will help you find the best solutions for space saving and functional use of each piece of furniture.

### Accessories

The accessories shown in this catalogue (bed covers, lamps, cushions, curtains etc.) are only an example for you to consider the opportunity of having everything coordinated and matching the furniture you have selected for your project.

### Hotel Collection

Our HOTEL collection has proved a worldwide success both in the home, hotel and contract projects. The strong, solid wood frames joined with walnut veneers finished in a very warm, honey colour makes this collection unique in its classical, essential look.

### Pricing

All our prices will be on "EX-FACTORY" base, are valid for 1 month and include the delivery of products packed in very strong cartons tested for goods to be exported and handled more than once.

### Details, Curtains, Accessories

A very wide selection of wardrobes available.  
The "safe box" is only one of the several optional elements available inside the wardrobe.
